IETE Chandigarh Center celebrated the 71st foundation day of IETE of the Institution of Electronics and Telecommunication Engineers IETE with great enthusiasm and energy.

The celebration took place on 06 December 2024 at IETE Building Sector 30 B Chandigarh. The celebration was in line with the theme "India's Leadership in 6G – Design and Produce in India for the World".

Prof Shantanu Bhattacharya, Director CSIR-CSIO Chandigarh who is also GVMM chair and Professor of Mechanical Engineering at Indian Institute of Technology Kanpur, graced the occasion as Chief Guest of the Foundation day Celebration.

Prof Garima Saini, from NITTTR Chandigarh who was awarded

with IETE SMT TRIVENI DEVI GUPTA MEMORIAL AWARD 2024, delivered the SMT TRIVENI DEVI GUPTA MEMORIAL Lecture on the topic "From 5G TO 6G: Next Generation Connectivity".

During the foundation day celebration, senior IETE members were also felicitated by the IETE Chandigarh center.

The Institution of Electronics and Telecommunication Engineers (IETE) is India's leading recognised professional society devoted to the advancement of Science and Technology of Electronics, Telecommunication & IT. Founded in 1953. The IETE is the National Apex Professional body of Electronics and Telecommunication, Computer Science and IT Professionals.

The objectives of IETE focus on advancing electro-technology. The IETE conducts and sponsors technical meetings, conferences, symposia, and exhibitions all over India, publishes technical journals and provides continuing education as well as career advancement opportunities to its members.

The IETE focuses on advancement of the Science and Technology of Electronics, Telecommunication, Computers, Information Technology and related areas. Towards this end the Institution promotes and conducts basic engineering and continuing technical education programmes for human resource development.

IETE Chandigarh Centre currently has over 1000 corporate members and several student members with various ISF centres over the region.
